

Young Capital Practice Days

Practice days will be a designated time slot for Young Capital members only. Members will spend about an hour with Timothy and Joey Wiseman while receiving semi-private instruction and a chance to practice with their peers and fellow members. These time slots may be split up based on quantity to ensure plenty of 1 on 1 time with the Professionals.

Young Capital Play Days

Similarly, Play Days will be exclusive to Young Capital members, except we will spend time on the course instead. This will give the players an opportunity to learn basic etiquette, rules and strategies on the course. These days will be meant to be less competitive and more instructional to prepare them for the future. We will most likely play anywhere from 3 to 6 holes, or anywhere from 1 to 1.5 hours.

These sessions are included in the membership at no additional cost and are exclusive to members only.

The dates and times will be shared at a later date but will most likely take place in the summertime.
