

Fore for Four

Junior Golf Program

@ Old Capital Golf Club

Hosted By Director of Instruction: Joey Wiseman

Sessions will take place
March 30-April 2 & April 7-10 (afternoons)

The first day of each week will be a 45 minute optional practice session.

Overview:

- The goal is to make **FOUR** (or better) on every hole (average) to advance through the different levels.
- The first level will start on the green for the “Junior Division”, and will gradually get **farther from the hole**. (For the “Pro Division” they will start 50 yards off the green.)
- **The first day of each week** will be an **instruction session** (practice) on and around the practice area.
- **The following three days** will be the “**Test Days**” on the course.

Scoring:

- For each **level completed**, players will **receive a ribbon** on their bag.
- To pass a level, players need to **complete** either **6 or 9 holes** based on their division while averaging a **4 or better** for the round. If a player completes the round with a 4 average or better, they will **advance to the next level** on the next test day. If a player averages more than 4 per hole, they will **remain at the same level** for the next test day.

“Junior Division” (6 Holes):

Green Level - Start on the green
Yellow Level - Start just off the green (chipping)
Red Level - Start 10-20 yards off the green
Blue Level - Start 40 yards off the green

“Pro Division” (9 Holes):

White Level - Start 50 yards off the green
Silver Level - Start 100 yards off the green
Gold Level - Start 150 yards off the green
Black Level - Start 200 yards off the green

Cost:

\$120 for 1 week or \$200 for both weeks
Young Capital members will receive 50% off
